

# 2018 Montana Clean Energy Fair

[www.montanarenewables.org](http://www.montanarenewables.org)

Dear Friends,

Please join the Montana Renewable Energy Association for our 8th Annual Clean Energy Fair on Saturday, August 11, 2018 from 9 am – 4 pm at the Gallatin County Fairgrounds (901 N. Black Ave.) in Bozeman. We are thrilled to be holding the Montana Clean Energy Fair in Bozeman for the first time!

The fair will include workshops on solar, wind, electric vehicles, energy efficiency, and other clean energy technologies; exhibits by clean energy businesses; and an electric car show. Plus there will be food vendors and kids' activities including a bouncy castle, solar ovens, and model solar car races.

**Mark your calendar now, and join us on August 11!**

## Here are four ways you can participate in this year's fair:

1. **Exhibitors:** We have spaces available for businesses and organizations in the fields of renewable energy, energy efficiency, sustainability, or related topics to display information and/or demonstrate their products.
2. **Food Vendors:** We are also seeking food vendors to participate in the fair.
3. **Auto Dealers and Car Owners:** The fair will feature a car show showcasing electric vehicles. There is a two-vehicle limit for commercial auto dealers. Private owners please contact us for information about showing your car.
4. **Sponsorship Opportunities:** Sponsoring the Clean Energy Fair gives you the opportunity to demonstrate your commitment to renewable energy and gain exposure for your business. A variety of sponsorship packages are available.

See the following pages for additional information about all of these opportunities.

## 2018 Montana Clean Energy Fair

## 2018 Montana Clean Energy Fair Exhibitor/Vendor Requirements

[www.montanarenewables.org](http://www.montanarenewables.org)

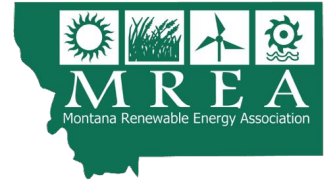

- Food vendors must have a Business License, Montana State Food Purveyor's License, and liability insurance.
- Vendors and exhibitors must fill out the registration form (previous page) and be approved by MREA. You will be notified of your acceptance.
- MREA reserves the right to refuse exhibits which would detract from the purpose, dignity and intent of the Montana Clean Energy Fair. MREA reserves the right to stop or remove from the event any exhibitor who performs any practice deemed by MREA to be illegal, objectionable, or creates a health or safety hazard.
- Vendors and exhibitors are responsible for attending their booths at all times. MREA is not responsible for damages, theft, or loss to exhibitor displays or products displayed at the Montana Clean Energy Fair.
- Vendors and exhibitors agree to hold MREA harmless from any claim on account of any actions of the vendor/exhibitor, any injury to any person, or damage to any property.
- Vendors and exhibitors shall comply with the laws, rules and regulations of the State of Montana, Gallitan County, and City of Bozeman.
- Vendors and exhibitors agrees to allow MREA to use images, video and/or audio footage made of the exhibitor or exhibit for promotion of the Montana Clean Energy Fair.
- Vendors and exhibitors can begin setting up at 7:00 am on Saturday, August 11. Booths must be set up by 8:30 am and must remain open until 4:00 pm.
- Smoking is not allowed in or near fair activities.

Registering as an exhibitor or vendor for the Montana Clean Energy Fair indicates that you understand and agree to these requirements. If you have any questions, please contact us.
