

Understanding the Montana Public Service Commission

A guide to the Montana PSC's important and influential role in renewable energy development

Montana Renewable Energy Association

P.O. Box 673 Missoula, MT 59806

www.MontanaRenewables.org

The content presented originally appeared as three separate blog posts via the Montana Renewable Energy Association's Policy and Advocacy blog throughout 2018. This booklet was edited in 2020 with updates and additional content.

Disclaimer: *Understanding the Montana Public Service Commission* should not be used as a legal reference. This booklet was developed by the Montana Renewable Energy Association to serve as an educational tool. The purpose of this booklet is to help inform the public about the purpose and function of the Montana Public Service Commission, as an entity. MREA does not and is not endorsing any candidate(s) seeking election to the Public Service Commission.
