

12th Annual Montana Clean Energy Fair Saturday, August 12th - (Billings, MT)

Dear Friends,

Please join the Montana Renewable Energy Association for our 12th Annual Clean Energy Fair on Saturday, August 12, 2023 from 9 am – 3:30 pm at Montana State University Billings (1500 University Drive). We are thrilled to bring the Fair to the Magic City for the first time in MREA's history.

The fair will include workshops on solar, wind, electric vehicles, energy efficiency, and other clean energy technologies; exhibits by clean energy businesses; and an electric car show. Plus there will be local vendors and kids' activities, making the Montana Clean Energy Fair fun for the whole family. Raffle prizes and a showcase of local solar powered homes and businesses will round out the day.

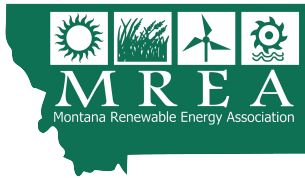

Here are 4 ways you can participate in the Montana Clean Energy Fair:

1. **Exhibitors:** We have spaces for businesses and organizations in the fields of renewable energy, energy efficiency, sustainability, or related topics to display information and/or demonstrate their products.
2. **Food Vendors:** We are seeking food vendors to participate in the fair.
3. **Auto Dealers and Car Owners:** The fair will feature an electric car show. Dealers: please register in advance. Private owners: please contact us at info@montanarenewables.org for information about showing your car.
4. **Sponsorship Opportunities:** Sponsoring the Clean Energy Fair gives you the opportunity to demonstrate your commitment to renewable energy in Montana and gain exposure for your business. A variety of sponsorship packages are available.

**Become a sponsor/vendor at the
2023 Clean Energy Fair using this form.**

**Questions? Call 406-214-9405 or
info@MontanaRenewables.org .**

The Montana Renewable Energy Association is a nonprofit organization whose mission is to foster the growth of renewable energy for all Montanans through education, advocacy, and industry engagement.

12th Annual Montana Clean Energy Fair

EXHIBITOR/VENDOR

REQUIREMENTS

- This event will follow all local and county health and safety requirements.
- Food vendors must have a Business License, Montana State Food Purveyor's License, and liability insurance.
- Vendors and exhibitors must fill out the registration form (previous page) and be approved by MREA. You will be notified of your acceptance.
- MREA reserves the right to refuse exhibits which would detract from the purpose, dignity and intent of the Montana Clean Energy Fair. MREA reserves the right to stop or remove from the event any exhibitor who performs any practice deemed by MREA to be illegal, objectionable, or creates a health or safety hazard.
- Vendors and exhibitors are responsible for attending their booths at all times. MREA is not responsible for damages, theft, or loss to exhibitor displays or products displayed at the Montana Clean Energy Fair.
- Vendors and exhibitors agree to hold MREA harmless from any claim on account of any actions of the vendor/exhibitor, any injury to any person, or damage to any property.
- Vendors and exhibitors shall comply with the laws, rules and regulations of the State of Montana, Yellowstone County, and City of Billings.
- Vendors and exhibitors agrees to allow MREA to use images, video and/or audio footage made of the exhibitor or exhibit for promotion of the Montana Clean Energy Fair.
- Vendors and exhibitors can begin setting up at 7:00 am on Saturday, August 12. We ask that vehicles used for loading/unloading be moved away from the fair site by 8:00 am. Booths must be set up by 8:30 am and remain open until 3:30 pm.
- Smoking/vaping is not allowed in or near fair activities.

Registering as an exhibitor or vendor for the Montana Clean Energy Fair indicates that you understand and agree to these requirements. If you have any questions, please contact us at info@MontanaRenewables.org .

Thank you for investing in a clean-powered future through MREA.
